

Activating Your Connected Client Account On JForex

To begin you will need to activate your client accounts by following this link:

<https://live-webtrader.forexfs.com/fo/reports/client>

On the Summary page click “Activate” (1) and set a Stop Loss Level (2).

Please also change your password before logging out (3).

The screenshot shows the 'My Account' page on the JForex website. The page has a dark blue header with the 'FOREX FS' logo on the left and navigation links: 'Summary', 'Reports', 'Get CSV URL', 'Change password', and 'Logout'. The 'Change password' link is highlighted with a red box and labeled '3.'. In the top right corner, the user's login information is displayed: 'Login: DEMOhFFYd_cl1FD' and 'Client ID: 606873'. The main content area is titled 'My Account' and includes a 'Date: 12.04.2013 05:48:11' and a 'Reload' button. Under 'Account Info', the following details are shown: 'Current Balance: 99,973.97 AUD', 'Current Equity: 99,973.33 AUD', 'Current Day P/L: -0.64 AUD', and 'Debit/Credit: 0.00 AUD'. The 'Account Status' section contains a warning message and shows the 'Status: Active' and an 'Action: Deactivate' button, which is highlighted with a red box and labeled '1.'. The 'Stop Loss Level' section includes a warning message and shows the 'Stop Loss Level: 11,000.00 AUD' and a 'Change Level' input field with a 'Submit' button, highlighted with a red box and labeled '2.'. A sidebar on the left contains 'Summary' and links for 'My Account' and 'Action Log'.
