On the Summary page click “Activate” (1) and set a Stop Loss Level (2).

Please also change your password before logging out (3).

The screenshot shows the 'My Account' page on the JForex website. The page has a dark blue header with the 'FOREX FS' logo on the left and navigation links 'Summary', 'Reports', and 'Get CSV URL' in the center. On the right side of the header, there is a 'Change password' button (highlighted with a red box and labeled '3.') and a 'Logoff' button. Below the header, the page is divided into sections. The 'Summary' section on the left contains links for 'My Account' and 'Action Log'. The 'My Account' section is the main content area. It includes 'Account Info' with details like 'Current Balance: 99,973.97 AUD', 'Current Equity: 99,973.33 AUD', 'Current Day P/L: -0.64 AUD', and 'Debit/Credit: 0.00 AUD'. Below this is the 'Account Status' section, which contains a text box explaining that the account is under management and a 'Deactivate' button (highlighted with a red box and labeled '1.'). The 'Stop Loss Level' section contains a text box explaining the function and a 'Change Level' input field with a 'Submit' button (highlighted with a red box and labeled '2.'). The top right of the page shows the user's login information: 'Login: DEMOhFFYd_cl1FD' and 'Client ID: 606873'. The date and time are 'Date: 12.04.2013 05:48:11'.
