

Setting up your Demo Forex FS JForex PAMM Account

1. Your login information email should contain the main PAMM account login details as well as three demo client account details.

Account ID: 599123

Login: DEMOhFFYdFD

Password: Xxxx123

Client 1

Login: DEMOhFFYd_cl1FD

Password: Xxxx123

Client 2

Login: DEMOhFFYd_cl2FD

Password: Xxxx123

Client 3

Login: DEMOhFFYd_cl3FD

Password: Xxxx123

This is your PAMM login details. Please use the Login and Password for any future login details. Please use the Account ID to quote to our support team should you have any questions.

These are your demo client login details. The passwords are investor passwords only. You will not be able to login to the platform using these details.

2. To begin you will need to activate your demo client accounts by following this link:

<https://demo-webtrader.forexfs.com/fo/reports/client>

One at a time login to each of the demo client accounts click “Activate” then set a stop loss level.

The screenshot displays the FOREX FS webtrader interface. At the top left is the FOREX FS logo. The top right shows login information: Login: DEMOHFFYd_cl1FD, Client ID: 606873. A navigation bar contains 'Summary', 'Reports', 'Get CSV URL', 'Change password', and 'Logoff'. The main content area is titled 'My Account' and includes a 'Summary' sidebar with links to 'My Account' and 'Action Log'. The 'Account Info' section lists: Current Balance: 99,973.97 AUD, Current Equity: 99,973.33 AUD, Current Day P/L: -0.64 AUD, and Debit/Credit: 0.00 AUD. The 'Account Status' section contains a message: 'The account is currently under management. Press 'Deactivate' button anytime to block trading on the account. Deactivation will result in closure of all open positions. Pending orders will be cancelled.' Below this, the status is 'Active' and there is a 'Deactivate' button. The 'Stop Loss Level' section contains a message: 'To protect your funds please use 'Stop Loss Level' function. All open positions will be closed and trading blocked if equity on your account is equal or less than 'Stop Loss Level'. Please be informed that equity on your account after closing of all open positions might be below 'Stop Loss Level' depending on market conditions.' Below this, the stop loss level is set to 11,000.00 AUD, and there is a 'Change Level' input field and a 'Submit' button. Two red numbers, '1.' and '2.', are overlaid on the page to indicate the steps: '1.' points to the 'Deactivate' button, and '2.' points to the 'Submit' button.

2.

3. Next, using the link below, login to your PAMM account to accept the new clients and link them to your PAMM account:

<https://demo-webtrader.forexfs.com/fo/reports/trader>

- Click on Client Accounts and activate each client.

The screenshot shows the FOREX FS webtrader interface. The top navigation bar includes 'Summary', 'Reports', 'Get CSV URL', 'Change password', and 'Logoff'. The user is logged in as 'DEMOhFFYdFD' with account ID '599123'. The date is '12.04.2013 05:51:28'. The 'Client accounts' page displays a table of active accounts with columns for Client ID, Name, Balance, Currency, Description, Stop Loss Level, and Action. The 'Action' column contains 'Deactivate' buttons for each account. A red box highlights the 'Client Accounts' link in the left sidebar, and another red box highlights the 'Deactivate' buttons in the table.

Client ID	Name	Balance	Currency	Description	Stop Loss Level	Currency	Action
606873	DEMOhFFYd_d1FD	99,973.33	AUD	Active account Ratio: 33.33 %	11,000.00	AUD	Deactivate
606874	DEMOhFFYd_d2FD	99,973.33	AUD	Active account Ratio: 33.33 %	10,000.00	AUD	Deactivate
606875	DEMOhFFYd_d3FD	99,973.33	AUD	Active account Ratio: 33.33 %	80,000.00	AUD	Deactivate

4. You are now ready to begin trading, using your Master account. To login directly to the platform, please follow the link:
