

How To Use The Help Function On MT4

1. Click on the **Help** menu in the top menu panel and select **Help Topics** in the drop down panel. Alternatively, simply click **F1** on your keyboard.

2. The **Client Terminal – User Guide** window will appear.

3. Click on the **Contents** tab to see all the available topics.

4. Alternatively, click on the **Search** tab to search for a specific word or topic. Type in the word in the **Search box** and click **Display**. The search results will appear below.

The screenshot shows the 'Client Terminal - User Guide' application window. The 'Search' tab is active, and the search box contains the text 'trailing stop'. The 'Display' button is highlighted with a red box. Below the search box, a table displays the search results.
