

How to View All Available Symbols on MT4

To view the complete list of currency pairs via your MT4 platform, please right click on the word **Symbol** in your Market Watch window then select **“Show All”** in the drop down menu. If you cannot see the Market Watch window, click on **“View”** in the top menu and select **“Market Watch”**. Next, right click on the word **Symbol** in your Market Watch window then select **“Show All”** in the drop down menu.
